

Downloading and Saving *Discover Education* streaming videos (only for Guilford County Schools personnel)

- Log on to your computer using your personal teacher login.
- Choose the video you want to download. **Right-click** on the blue disk icon

Raging Planet: Hurricane

- Choose **Save Target As.....** in the menu. You will be asked to select where you want the video saved.
- In the first window (which will be the desktop) open “Student Activities”. Open 1Templates, then the *Unitedstreaming* folder. You can create your own folder inside the *Unitedstreaming* folder. You can rename the video file as long as you keep the extension (.asf) at the end.
